

Report Sheet

Conservation of energy

Conversion 1 from gravitational energy to kinetic energy

Diagram:

Equations:

Data and Results:

Prediction _____ Measurement _____

Comment:

Conversion 2 from elastic energy to work

Diagram:

Equations:

Data and results:

Hooke's law data:

Prediction _____ Measurement _____

Comment:

Conversion 3 from elastic energy to gravitational energy

Diagram:

Equations:

Data and results:

Prediction _____ Measurement _____

Comment:
